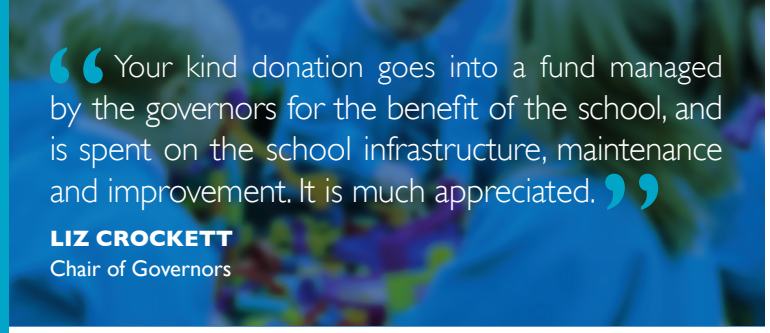
PRIMARY SCHOOL

WHAT IS BROADWATER DAY?

Broadwater Day is a celebration both of the achievements of our pupils and the school as a whole. Its focus is on fundraising to enable the Governors to continue to provide an outstanding educational environment.

Broadwater Day this year will take place on Friday 24th September when we will be having a non-uniform day.

Broadwater is an **outstanding** school. We would not have been able to achieve this outstanding level of provision for our pupils without your help.



"Your kind donation goes into a fund managed by the governors for the benefit of the school, and is spent on the school infrastructure, maintenance and improvement. It is much appreciated."

LIZ CROCKETT
Chair of Governors

We have a tremendous legacy of giving which in previous years has enabled us to:

- **build a new library**
- **extend the building**
  adding the upper floor classrooms
- **re-generate the entrance area**
  improving the security of our building

…and generally enhance the facilities within the school.

We suggest an annual donation of £42, per family, which helps to bridge the gap in funding between ourselves and other non-church schools in the area (we receive 10% less than other local authority run schools). Please **don't forget to fill out the gift aid form**, which lets us claim an additional 25% on top of your donation from the government (if you are a UK tax payer)!

If you have any questions, please speak to the school and a member of the Governing Body will contact you directly.

What is different about Broadwater?

When the present system of state education was set up in 1944 there was already an established system of Church schools in the country. These were incorporated into the state system but, in return for control over such matters as religious education and the appointment of staff, they agreed to accept financial responsibility for their buildings – hence the term 'voluntary aided'. The Governors exercise this responsibility.

HOW IS BROADWATER FINANCED?

Broadly speaking the school expenditure falls into one of three groups:

1. General running costs

Each April the school receives a budget from West Sussex County Council (the LA – Local Authority) to cover the running costs of the school, for example, salaries, equipment, administration. Governors have responsibility for allocating the budget to the various needs and for ensuring that actual expenditure stays within the budget, and they are also responsible for maintaining and improving the school premises.

2. Bought-in services

These are self-financing services offered at the school such as school meals and extra music tuition. The cost of these services is borne by those who use them.

3. Voluntary aided responsibilities

Because we are a voluntary aided school, central government and the Local Authority do not fund all aspects of the school expenditure. The school Governors are responsible for paying 10% of the cost of maintenance and improvement works to the school buildings, except for minor works, which are funded from the school allocated budget by the Local Authority.

The only voluntary contributions received by the school are from lettings, the church and donations such as those made for Broadwater Day.
