

MAKE A Noise!

A Poem About Anti Bullying Week

2023

If you see bullying speak out loud,
Don't be silent make a sound,
Make it noticed, don't play along,
If you do, you're in the wrong.

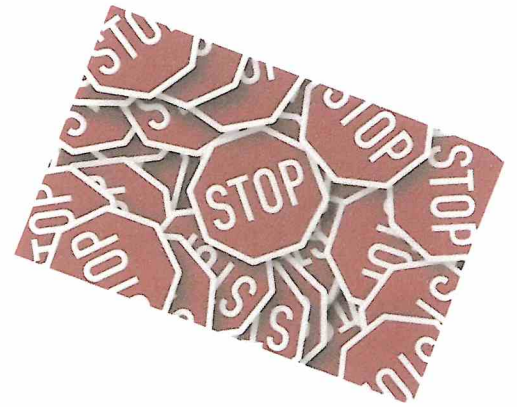

Be unique, kind, smart and keen,
Don't be a bully, don't be mean,
Laughing with them is not good,
Tell an adult, yes you should.

Want to be a bully, your life will stay a maze,
You'll regret your choices in just a few days,
Make people fear you, then you're a fool,
Don't be stupid, don't be cruel.

Again, I won't tolerate ruined lives,
Although your words cut them like knives,
I will stand up brave, proud and strong,
Keep their days happy on and on.

Make a noise,
Shout it out,
Stand up for yourself,
Bullying is not allowed.
