Dear Parents and Carers

We have been made aware this week of a number of posts on the year 3 WhatsApp group that have caused concern.

Whilst we recognise social media plays an important role in our lives, and when used safely and positively can be a real asset, it is also worth reminding ourselves the importance of using it wisely to ensure safeguarding of all in our school community.

I want to remind you all that as stated in the parent/carers code of conduct published on the school website:

***In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting the following:***

- *Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/carers/staff, at the school on Facebook or other social media sites.*

Any concerns you may have about the school or issues regarding your child must be made through the appropriate channels by speaking to the class teacher, the Head teacher or the Chair of Governors (in writing), so they can be dealt with fairly, appropriately and effectively for all concerned.

Thank you all for your continued support.

Yours sincerely

Mr A Morrissey  
Headteacher
