Coat required regardless of weather

Jewellery: only plain silver/gold ear studs may be worn; a small, discreet, inexpensive item of jewellery of religious significance may be permissible as long as it does not pose a health and safety risk to the children when at play and the child must be able to remove jewellery for PE (or not wear on PE days).

Note on ear piercings: If parents wish to have their child's ears pierced, they are strongly encouraged to do this at the beginning of the Summer holidays. This will ensure that they are healed and earrings can be removed for PE. Use of tape to cover earrings is a poor and temporary alternative. In this instance, parents must provide the surgical tape as part of the PE kit.

Hair: long hair must be tied back at all times. Hair bands and bows must be discrete.

Lost Property

All items of lost property are taken to the Office. They are checked for a name. Named articles are returned to their owners. Unnamed articles are kept in the Lost Property Storage Unit in the main entrance. Every two weeks all unclaimed articles are put in the playground for parents to check through.

Unclaimed articles are disposed of. If your child has lost an item, please check with the Office.

School Dinners

Under the Government Universal Free School Meals programme, all children in Early Years, Years 1 and 2 are entitled to a free school meal. We assume that children in these year groups will take up this offer unless otherwise notified. West Sussex County Council also provide a hot school meal for all children in other years entitled to free school meals. Parents who are on benefits should speak, in confidence, with Mrs Laycock (School Receptionist) for further details. Hot school meals are available to all other children on a paid basis – parents should see [westsussex.mealselector.co.uk](https://www.westsussex.mealselector.co.uk) for further details if they are interested. All other children will need to be provided with a packed lunch. Please note: Due to some children within school suffering from nut allergies, please can you **not put nuts of any sort (eg peanut butter or chocolate spreads)** in your child's lunch box.

Milk

Milk is available to all children. For Children under 5 it is free. To register for your child to receive milk please use www.CoolMilk.com or phone 0800 321 3248. Milk is no longer ordered through the school.

Homework

Homework is set regularly. The Homework Policy can be viewed on our website. Children in Early Years and Year 1 will be set homework and they have a homework book. Homework for children in Years 2 to 6 will be set on Google Classroom. They are also given a contact book for communication and a homework book for some activities.

Please support your child/ren by checking that their homework is done. If your child has difficulty with homework, or you are concerned about it in any way, please see your child's class teacher. Children who do not complete homework may be required to miss part of a break time to finish the work.

Clubs

The school has many clubs covering sports, music and many hobbies. Some clubs offered may incur an additional charge. A list is issued each term and parents need to sign up online using the Parents Evening system. Where possible we will keep a waiting list. If it is wet and your child attends an outside club, please assume this is cancelled – if in doubt, please ring after 2pm and a message will be on the phone system.

Musical Instrument Lessons

The school offers musical instrument lessons through the West Sussex Music Service. The age children can start instrument lessons is at the discretion of the music teacher and there are some instruments where the recommended start age may be higher than others. The school recommends that instrument lessons start no earlier than in Year 1. Please visit the West Sussex Music website www.westsussexmusic.co.uk for further information. There may be a charge for instrument lessons.

Governors' Charging Policy

It is the school's policy to request, from time to time, voluntary contributions from parents for school activities, which may only run if there is sufficient voluntary funding. We do, however, aim to ensure that no pupil is debarred from an activity solely by the inability of the parents to pay. Cases of hardship should be referred to the Headteacher. The charging for Residential Visits is slightly different. (The full policy is available from the school office.)

Attendance

Absences

If your child is away from school for any reason, you should telephone to let us know **on the first day of absence**. If we do not hear from you by 10.30am, we will contact you. When your child returns, please send a letter confirming your child's absence. We are required by law to keep a record and to follow up absences when there is inadequate/no reason. If attendance is a problem, we are required to inform the Educational Welfare Officer, who is available to help you if you are having difficulty getting your child to come to school. Please speak to the Headteacher to discuss the help available.

Please note that, in accordance with NHS guidelines, we have a 48 hour sickness absence policy with regard to children being physically sick or with diarrhoea. Your child should not return to school until 48 hours have elapsed from the time of the last symptom.

Term-Time Holiday

Amendments to The Education (Pupil Registration) (England) Regulations 2006 make it clear that Head Teachers may not grant any leave of absence during term time, unless there are **exceptional circumstances**. For further details please follow the following link: <http://www.education.gov.uk/schools/pupilsupport/behaviour/attendance/a00223868/regulations-amendments>

The school will not authorise holiday absence during school term time and remind you that you should plan holidays on non-school days only. You should be aware that absence from school may result in a fixed penalty notice and a fine. If you have any concerns or questions about taking holidays or extended absences, then please speak to a member of our leadership team.

Medical Appointments

If possible, please try to arrange these out of school hours. If your child has a medical appointment during school hours please let us know who will collect them and at what time. Please come to reception to collect your child. We do not allow children to leave the school unaccompanied during lesson time. Children should report to Reception on their return to school.

Lateness

If your child is going to be late for school and you know in advance, please let your child's class teacher know either by a note, or by telephoning the school office. If your child is going to be late for unforeseen circumstances, please try to telephone and let us know. If your child is often late to school, we may contact you to find out whether we can solve the problem together. In extreme cases the Local Authority may become involved. When children arrive, if the register has been completed they (or you) **must** sign in on the electronic entry system.

Absence Requests

You should complete one **absence form** (downloadable or obtainable from the school office) for each child. Please try to give as much notice as you can.

If you are away for more than six weeks, we are required to take your child off the school roll. You can apply for them to be re-admitted when you return, but we cannot guarantee a place.

Moving House

Please let the school know of all changes of **address, telephone number or name** as soon as possible. Please ensure you also let us know immediately if you change your 'emergency contact' number. If your child is having to change schools, please let us know as soon as possible and complete a **withdrawal form** (obtainable from the school office). We need to know the new school so that we can send your child's school records.

Medicines

Prescribed medicines can **only** be administered with the appropriate forms completed. Please speak with the School Receptionist for further information. Doctors will prescribe most short term medicines in 3 doses per day so that children can be given this outside school hours. Children who use inhalers are advised to have one with them in class and a reserve in the medical room (both clearly named).

No Smoking Policy

The school operates a strict No Smoking and Vaping Policy throughout the site. We are very grateful that you comply with this policy.

No Dogs on Site

Dogs are not permitted on the school site.

Safeguarding

The school treats the protection of children very seriously. All staff are made aware each year of what to do if they suspect that a child is at risk. The designated member of staff for child protection is Mrs Mitchell. Our Deputy Headteacher (Mrs Corless) and Pastoral Lead (Mrs Robertson) have also undergone full safeguarding training.

If you have a concern or complaint

The school has an agreed formal policy for dealing with concerns, this is in line with the recommendations of the Local Authority.

There are now 3 stages to dealing with a complaint:

Stage One	Discuss concerns informally with relevant teacher
Stage Two	Discuss concerns formally with the Headteacher or senior
Stage Three	Make a formal complaint in writing to the Chair of Governors or a nominated governor who will then convene a Complaints Panel.

The School's Complaints Co-ordinator is the Headteacher, who is responsible for the operation and management of the school complaints procedure and will be able to provide further information on request.

Most important to us, is that the concern is discussed, and therefore the above chart is for guidance. We are all here to help you, and especially your children. If you feel there is any way we can help to make school a happier and more fulfilling place for your children, please do let us know. The Headteacher is always happy to see parents and discuss any concerns.

Staff Meetings

Teaching staff are happy to make themselves available to meet with you to discuss a concern. Please note that staff training meetings take place every Tuesday from 3.30pm, it is therefore very difficult for teachers to meet with you after school on Tuesdays. Staff also run clubs and some of these are after school – if this is the case, again they will not be able to meet with you that evening. Please contact the office to arrange a meeting with a teacher.

Valuables

We strongly encourage children not to bring anything into school that is valuable. If mobile phones are brought into school they must be switched off and **never** used on the school premises. Children are responsible for their own phones/valuables and the school cannot be held liable for theft, loss or damage to them. We recommend that if your child must have one, you purchase the cheapest and simplest model you can find. Mobiles will be removed if they are used in school and parents will be asked to collect them.

Helping in School

We value and appreciate any help we are given to support the work of the school. There are four main ways you can help in school. The parent/teacher association is called Friends @ Broadwater (FAB) and they require help for their many events. Help can always be used in learning activities, or with practical tasks eg library. Finally with our ever growing number of clubs, we could always do with extra help for these. If you are able to spare a few hours (either regularly or occasionally) please contact Louise Cook (club coordinator). She will be very happy to tell you more and discuss the possibilities with you.

Telephoning Home

Your child is only allowed to telephone home for forgotten school items and to inform a parent that collection arrangements at the end of the day have changed. This can be done at break times and lunch time, not during lesson time.
