For our Staff

Lord, we thank you for our wonderful clergy team, for Rev Gaz, for Carl and all their associates who visit us and give regular school assemblies, who welcome us into St Mary's Church for our special days. We are truly blessed to have this connection with all of them.

Father God, please put your hands on all our staff, please give them the faith and strength to cope with any changes and extra workload that comes with school life, to persevere and to recognise their own talents and never lose heart.

Dear Lord, we thank you for the team spirit that infuses this school and the staff who stand together in hopes of making the teaching profession sustainable as a long-term job and the education system viable for our students as they go up into high school.

For our Mr Morrissey and Mrs Corless please put your loving arms around them as they make important decisions..

Lord, please give strength and peace to Ms Hoskins and Mrs Owens on their return from maternity leave.

For the pupils

We pray your blessing on those leaving the school to go on to High School and for those who will be joining the school, particularly, in Early Years, in September.

For our students: Lord, please put your healing hand on all our students who are in need, who have difficult family circumstances or who are suffering anxiety and pain for any reason. We lift their worries to you, dear Lord. Please put your hands on all of them and give them the grace and resilience to function in this fast-paced modern world.

Look upon our entire school community and help those who are in pain only known to you, in sickness and in difficulty for whatever reason. Also thank you for all the joy that happens in school every minute of every day, we know your face is shining down upon us in all moments, good and bad.

We pray for new staff to settle in quickly to the school as the new academic year begins.

For All our School Community

We pray that we will keep in good health and spirits as we begin our Summer term.

Loving Father,

Thank you for all who are part of Broadwater school. Please grant them your encouragement, wisdom and peace.

For our Governors

We thank you Lord for the time and dedication given to our school by our Governors and we pray your blessing on the new Clerk to the Governing Board.

Thanks to Mrs Martin for all she has brought to the GB as she steps down from this role. Prayers for the right person to join the Board.
