Policy for the Education of Looked After and Previously Looked After Children. (2020-2024)

This policy is derived from the WSCC Model School Education of Looked After and
Previously Looked After Children policy

Approved by Governors Spring 2020

Turn your ear to wisdom and apply your heart to understanding (Proverbs 2:2)

Broadwater is a Christian School. We will enable children to become wise, confident, successful learners with the motivation, skills and responsibility to make a positive difference in God's world. Our vision is underpinned by the values we live by.

The Holy Spirit produces this kind of fruit in our lives: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. There is no law against these things! Galatians 5:22

It is this fruit that, in partnership with parents, we will instil in the children of our school.

This policy is intended as a guide for schools to adapt to meet the needs of children in their own setting. All information and areas of focus in this document are taken from or based upon the statutory guidance published in February 2018.

This policy for the education of looked after and previously looked after children should be considered alongside the statutory guidance.

“The Designated Teacher for Looked-after and Previously Looked-after Children – Statutory guidance on their roles and responsibilities”.

2. The designated teacher

The designated teacher will carry out their role in line with statutory guidance.

The designated teacher is Tracy Mitchell

The designated teacher (DT) is the central point of initial contact within the school. They will join up resources and support to minimise any disruption to a child's learning.

- The DT will work with Virtual School Heads (VSH) to promote the education of looked-after and previously looked-after children by promoting a whole school culture where the personalised learning needs of every looked-after and previously looked-after child matters and their personal, emotional and academic needs are prioritised.
- They will take lead responsibility for ensuring school staff understand how the whole school supports the educational achievement of these pupils. Our school will make sure that all staff:
 - have high expectations of children's learning and set targets to accelerate educational progress;
 - are aware of the emotional, psychological and social effects of loss and separation (attachment awareness);
 - understand how important it is to see children as individuals;
 - appreciate the central importance of the looked-after child's Personal Education Plan (PEP) and understand how it fits into the wider care planning for the child;
 - for previously looked-after children, understand the importance of involving the child's parents/carers or guardians in decisions affecting their child's education, and be a contact for parents/carers or guardians who want advice or have concerns about their child's progress at school.
- The designated teacher will have a direct and day-to-day role in promoting the educational achievement of looked-after and previously looked-after children.

- Ensuring parents and guardians of previously looked-after children are reminded that they need to inform the school if their child is eligible to attract PP+
- Ensure looked after and previously looked after children are prioritised for support; listened to; encouraged to participate; and believe they can achieve through an ethos of aspiration.
- The designated teacher will chair Personal Education Plan (PEP) meetings to effectively plan to utilise school resources and ensure each child has access to the support they need to achieve.
- These meetings will take place 3 times per academic year to review support and deploy effective resources.

- We will listen to the voice of looked-after and previously looked-after children as a vital part of successfully understanding and meeting their needs.

5. Pupil Premium Plus (PP+)

This is additional funding is provided to help improve the attainment of looked-after and previously looked-after children and close the attainment gap between this group and their peers.

- All pupil premium spending will take account of the specific needs of eligible pupils.
- PP+ reflects the significant additional barriers faced by looked-after and previously looked-after children.

- This will enable us to improve a whole school understanding of attachment and trauma and the impact on learning and behaviour for vulnerable children.
