Times Tables

Times Tables Rockstars is an online system run by the same company as Numbots.

Accelerated Reader

**Accelerated
Reader™**

- A reading scheme run in Year 2 – Year 6
- Children take a ‘Star Test’ at the beginning/end of each term to determine their ZPD (Zone of Proximal Development).
- The ZPD is two numbers (e.g. 2.6-3.7) which shows roughly what level books the child should be reading.
- When children have completed a book, they can take an online quiz on this.
- This quiz can be done at home through the school website (Information – Curriculum – Accelerated Reader). We will put the link to the page on our Google Classroom homework.
- Quizzes can be done on books you may have at home! To check a book has a quiz, visit www.arbookfind.co.uk .

Homework

The children will have homework set on a Tuesday on Google Classroom.

This is due in by the following Tuesday morning.

This will be maths, English, spelling and an optional activity.
