

BROADWATER WRAP AROUND CARE NEWSLETTER

Spring Term 2

.....

During this term the children have been very busy preparing for Easter. They have had the opportunity to make a variety of Easter-themed craft items such as bunny masks, wreaths, Easter baskets and being able to design their own easter eggs.

With the weather still being changeable, we are trying to offer the children as much outside activity time as possible within the constraints of the rain; we all hope the sun starts to shine a lot more often so this time can be increased.

Update:

You are now able to contact Wrap Around Care via the office number, please select the WAC option to be put straight through to us. This line will only be monitored during WAC hours.

From all of us at Wrap Around we hope you have a lovely Easter and we will see you in the new term.
