19th September 2023

Dear Year 1 Parents/Carers,

SCIENCE WEEK

Next week we are planning to hold a Science week.

For the first part of the week we will be learning about different parts of our bodies.

This will be covered in an age appropriate way. As recommended in the RHE and Science curriculum, we shall be teaching the words for the private body parts including penis and vulva. If you have any questions, please do get in touch.

Later in the week we shall be finding out more about our sense of taste. We will be smelling and sampling small amounts of the following foods: marmite, lemon, cinnamon, honey, lemon juice and mint. Please inform us of any reason why your child shouldn't sample any of these food items by **Monday 25th September.**

Thank you for your continued support!

Mrs Lawson and Mrs Rowden
Year 1 Teachers

Turn your ear to wisdom and apply your heart to understanding (PROVERBS 2:2)
