Dear Year 2 Parents and Carers,

As part of the topic of Fire, we are delighted to have the author Jill Atkins coming to visit the children. She is a former Primary school teacher and now writes books for children. She has had over 100 books published, many of them early readers. One of her books is called **The Great Fire of London**, a chapter book for 6-8 year olds which we already use in school.

She will be visiting on Tuesday 5<sup>th</sup> March and discussing life as an author as well as sharing information on the Great Fire of London. During her visit, there will be an opportunity to purchase one of her books, which she will sign. They are not about the Great Fire, but instead, they are a range of stories that were popular last year with the Year Two children. If you would like your child to purchase a book, please send the slip below in an envelope with the exact cash in a NAMED sealed envelope on the day.

**The books are limited on the numbers we have for purchase and will be on a first come first served basis.**

We are certain it will be an exciting and inspiring morning.

Thank you for your ongoing support.

Year 2 Team

### **\*\*All books £5\*\***

***Toad swims for his life*** - When Toad enters the animal Olympics, he finds he has to swim against four ferocious animals. Will he manage to outwit them?

This is a picture book style so suitable for the younger members of the classes.

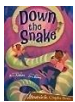

***The Little Green Monster*** - Cosmo wants to be a magician, but when he takes his test, things don't go quite to plan!

This is Purple Band reading level and is also for the younger children.

***Yasmin's Parcels*** - Yasmin is the oldest child in a large, very poor family, so she has to find food. When she helps three people, they each give her a parcel and the results are Magic!

This is a young chapter book.

***Down the Snake*** - Three children go with their dads to the park and find a giant Snakes and Ladders game, but when Kiran lands on a snake, the ground opens up. They all shoot down into caves where they have an adventure.

This is a Brown Band chapter book, a little bit scary in places.

***The Secret of the Old Mill*** - When Cassie discovers a book in the library with her name as the author, she can't believe how it mirrors her own life. Her Grandad has gone to the Old Mill, but when he doesn't return Cassie and her brother go to find him... and something they didn't expect!

This is a Lime Band chapter book, a real puzzle.

***The Locked Door*** - Izzy and Tom visit their Great Aunt in her little old cottage. They find a locked door in the spare room and when they open it, they find themselves in a grand room of an old mansion. They meet the ghost of the former housekeeper.

This is a Grey Band chapter book, a ghost story.
