

Email sent to Y3 Parents on Thurs 28th March re. DT - materials for Stone Age shelters:

Dear Year 3 Parent/Carer,

DT - materials for Stone Age shelters for Monday 15th April 2024

As part of our stunning start next term, we are going to be making Stone Age shelters. To help with this, please could you collect some twigs (no longer than 30cm) and leaves to bring in for the first Monday back (15th April). Please could your child bring these in a carrier bag to share with their class.

Thank you in advance and have a lovely Easter break.

The Year 3 Team
