

Email sent to Y4 Parents on Thurs 8th February 2024:

Dear Parents/Carers of Year 4 Pupils,

Science Activity – ‘Apple Tasting’ on Thurs 22nd Feb 2024

Your child's class will be tasting a variety of apples in Science on Thursday 22nd February 2024. We are learning about seed variation and will be assessing the apples on colour and taste.

For your information, the apples we are planning to taste and evaluate are Golden Delicious, Granny Smith, Royal Gala and Braeburn.

Please contact the school office by Monday 19th February if we should be aware of any reason why your child should not take part in tasting any of the above apples. Any concerns, please do not hesitate to contact your child's class teacher.

Thank you,
The Year 4 Team
