Dear Year 3 Parents/Carers,

## **KEY 2 MUSIC – YEAR 4 VIOLIN LESSONS AT SCHOOL**

We are pleased to be able to inform you that during the next academic year your child will be learning the violin through the 'Key 2 Music' scheme. This scheme is funded jointly by West Sussex Music Support Service and the school. Our school has just completed another very successful year of the wider opportunities provided by the Music Service, which benefits a whole year group learning a musical instrument together.

Key 2 Music provides free tuition for a year as well as an instrument for the children to use for their lesson. The children will receive weekly 40-minute class music lessons on the violin with a Broadwater teacher and Sally Gibbins (an excellent peripatetic violin teacher who previously worked with West Sussex Music for many years). These will take place on a Tuesday afternoon.

Unfortunately, children will not be able to take the instruments home. However, for those children wishing to maximise this wonderful opportunity and practise between lessons, **West Sussex Music** offers an instrument loan scheme. For more information about this and Key2Music please visit their website [www.westsussexmusic.co.uk](http://www.westsussexmusic.co.uk)

To celebrate the achievements, you will be invited to two performances during the year and see for yourselves what your child has learned and share the fun.

We are looking forward to an exciting year and we hope that this opportunity will really be the key that opens the door to the world of music and to a lifetime of enjoyment. At the end of the project in July 2025, we hope to encourage as many children as possible to continue learning the violin in small group lessons with Mrs Gibbins.

Yours sincerely,

Aaron Morrissey  
Headteacher
