

Email sent to Yr 6 Parent/Carers on Thurs 30th November 2023:

Dear Parents/Carers,

Year 6 Community Events

We are pleased to say, as part of our community links project, Year 6 will be visiting a number of locations during this Christmas period to spread a little festive cheer by carol singing.

All of the children will be singing in one of the following locations on Tuesday 12th December:

- Ramsey Hall, Byron Road: retirement housing for clergy pensioners
- Cambridge Lodge, Shelley Road: retirement housing
- Melrose Care Nursing Home, Whykeham Road: nursing home
- Linfield House, Whykeham Road: nursing home

We will be walking to the locations and singing during the morning (approximately 9:30-11:30am). We will need some helpers to walk with us to and from these locations. Please let the office know if you would be able to help; joining in with the singing would be a bonus!

Children are very welcome to bring in a Christmas accessory to wear such as a Christmas hat, headband, badge or some tinsel.

We are all looking forward to bringing a little Christmas joy to the residents.

Year 6 team
