ENROLMENT BOOKLET

Child's Name: _____

Child's Date of Birth: _____

Date of Admission: _____

Please complete this enrolment form booklet and return to the school before your child starts.

The information required is very important to us, so please make sure you read it all carefully and complete all the questions (if you would like any help to complete the forms please ask a member of the office staff who would be pleased to assist you).

It is very important that you give clear, precise contact details and keep them updated (many people change their phone numbers and forget to tell us), so that we can contact you in case of any emergency.

If for any reason someone different will be collecting your child, please let the class teacher know or contact the office.

Our school uses an online parent payment system called Parent Pay. In September, we will issue new parents with a user code for the Parent Pay system and once registered you can make payments for trips using a credit or debit card, view receipts for transactions and check account balances. Parents can access Parent Pay from a computer or mobile from home or work. Using this system is simple, convenient and free for parents and allows us as a school to cut down on the amount of paper and envelopes we use.

Finally, if you have any other concerns please don't hesitate to contact the school.

Thank you for your co-operation.

FREE SCHOOL MEALS AND PUPIL PREMIUM

Can you help the school by registering for Free School Meals?

All children who are in Reception, Year 1 or Year 2 in a state funded school have been eligible for free healthy school lunches. This is known as the Universal Infant Free School Meal. Children in other school year groups will also be offered a free school lunch if their parent is receiving any of the state benefits listed on the form.

Registering could raise money for your child's school

Registering for a free school meal eligibility check could raise an extra grant of £1,345 per year, per child, for your child's primary school, or £955 per child for secondary schools, to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is available from the government for every child whose parent is receiving one of the state benefits listed in the form. It is therefore important to register for a free school meal eligibility check, even if your child is in Reception, Year 1 or Year 2, so that your child's school receives as much funding as possible.

How the information in this form will be used

The information you provide in this form will be used by the County Council to confirm receipt of one of the listed state benefits. Once this is confirmed, it means that your child is eligible to have free school meals and that your child's school will receive the extra grant each year.

It is important that you tell your child's school whether you want your child to have the Universal Infant Free School Meal or free school meal if eligible. This will help schools to order the right number of meals and to reduce costs and food waste.

You only need to complete this form once and it will last for the duration of your child's time at their current school.

Thank you for completing this form and helping make sure your child's school is as well funded as possible

We are committed to ensuring that the personal and sensitive information that we hold about you is protected and kept safe and secure and we have measures in place to prevent the loss, misuse or alteration of your personal information.

We will use the information you provide to assess entitlement to free school meals. The information may also be shared with other Council departments to offer concessions and services.

REGISTRATION FORM

Dear Parent/Guardian,

We want to make sure that we are providing your child with the best education and support we can. Healthy and nutritious school food has positive health benefits and can help pupils establish healthy habits for life. Healthy school food can also help to improve pupils' readiness to learn.

Families who receive certain benefits may be eligible for free school meals. Your child is eligible for free school meals if you're in receipt of one of the following benefits:

- Universal Credit with an annual net earned income of no more than £7,400.
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Working Tax Credit run-on (paid for the four weeks after you stop qualifying for Working Tax Credit)
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190

Registering for free meals could also raise an extra [**£1,345** for your child's primary school]/[**£955** for your child's secondary school], to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is available from central government for every child whose parent is receiving one of the benefits listed above.

To check if your child is eligible, we need information about you and your child. Please complete this form and return to your child's school.

LOCAL OUTINGS CONSENT FORM

Throughout the period of time your son / daughter attends this school many visits will be made to local places of interest and it is necessary to obtain your permission to take your child on these outings. Rather than obtaining your permission on each occasion, we wish to seek your consent collectively. To make the organisation a little less complicated, we would be grateful if you would sign the accompanying overall consent form to cover these visits. This form will be kept in your child's file.

Such visits may be on foot, by staff/parent car or coach and would have the requisite regulation staff and adult supervision. All visits are covered by our insurance policy.

We would, of course, still inform you if your child was going to be out, but with a global consent form there would be no need for you to reply each time. On those occasions when visits involve any kind of cost and voluntary contribution, you will receive a letter with details and permission slip.

Safe Use of Children's Photographs and Video

Taking, keeping and publishing photographs and video footage involves processing personal data. The School's Privacy Notice will cover the majority of processing where it is limited to official use, monitoring and for educational purposes. However, to comply with the Data Protection Act and the General Data Protection Regulations, consent **will** be required where there is additional processing of personal data which is not within the reasonable expectation of those involved, such as taking photographs for certain media use.

The use of photography and video within the school is an essential part of the regular curriculum work of the school. This includes, for example, the use of these media for assessment purposes, recording of work in topic books and for internal celebration of work on displays. We may occasionally use video containing your child to share good educational practice with teachers. In these instances, we will adhere strictly to the rules on using photographs outlined in our policy.

Broadwater Church of England Primary School would like to take photographs and or video recordings of pupils whilst they attend the school to celebrate their achievements and successes. Still or moving images may be published in our printed publications (e.g. School brochure, newsletters) and/or on our school external website. They may also be used to promote the good educational practice of the school to other teachers, e.g. at training events organised by the school, Local Authority or national education/government institutions. Children's full names will never be published alongside their photograph external to the school. Names may be used internally, for example – on a display. Photographs/videos may also be published for *internal use only*, as part of children's regular classroom work e.g. on classroom displays, within multimedia projects (e.g. PowerPoint), on the school's internal network and to share educational achievements with parents, e.g. video presentation of a school trip. Electronic images, whether photographs or videos, will be stored securely on the school's network which is accessible only by authorised users. Promotional materials including photographs may continue to be used once a child has left the school until such time that these materials are updated e.g. website photographs and brochure photographs.

Before using any photographs/videos of children parental permission is sought. This is by means of the School Enrolment Booklet new parents complete prior to their child's entry to the school. This consent is valid from the date of signing until your child leaves the school.

Photographs and videos may be securely archived after your child has left the school. Archiving provides a valuable record of the school's history for future generations. On an occasional basis, such as a published historical record of the school or new publicity material where a specific photograph illustrates clearly an aspect of school, a photograph may be re-used or re-published. If we receive a request to use your child's image (photograph) from an external body we would seek permission for this.

We recognise that parents, carers and family members will wish to record events such as school plays, sports days etc. to celebrate their child's achievements. Broadwater is happy to allow this on the understanding that such images/recordings are used purely for personal family use and not posted to any public social media.

Please note that photographs may be taken at public events/performances by third parties beyond our control.

Parent/Carer Acceptable Use Agreement Policy (Information Technology and Internet Safety)

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies provide powerful tools, which open up new opportunities for everyone. They can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. Young people should have an entitlement to safe internet access at all times. (As detailed in the Online Safety Policy.)

Use of Cloud Systems Permission

We currently use four cloud-based hosting services. They are managed by the teaching team and used by children at home and in school. The school seeks permission for the use of this.

The school uses the following cloud service providers: Accelerated Reader, Times Table Rockstars, My Maths and Purple Mash. This permission form describes the tools and pupil responsibilities for using these services. Some of these services are entirely online and available 24/7 from any internet-connected computer. The school believes that use of the tools significantly adds to your child's educational experience.

Personal data will not be retained by the school for longer than necessary in relation to the purposes for which they were collected. (Please be aware of the Data Protection Policy.)

Information will be held in accordance with the Information and Records Management Society Tool Kit for Schools. (See Privacy Notice for Pupils and data protection policy.)

This acceptable use policy is intended to ensure:

- that young people will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- that school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- that parents and carers are aware of the importance of online safety and are involved in the education and guidance of young people with regard to their on-line behaviour.

The school will try to ensure that *pupils* will have good access to digital technologies to enhance their learning and will, in return, expect the *pupils* to agree to be responsible users.

Parents are requested to sign the permission form to show their support of the school in this important aspect of the school's work.

The office staff and teachers will have access to the consent form. The form will be stored in a locked unit in the main office. The form will be stored for the duration of the time it is in date. This form will be shredded when it is no longer required.

Parent/Carer Technology and Internet Safety Consent Form

As the parent/carer, I give permission for my son/daughter to have access to the internet and to ICT systems at school.

Either: (Foundation Stage and Key Stage 1 – Reception, Year 1 and 2)

I understand that the school has discussed the acceptable use agreement with my son/daughter and that they have received, or will receive, online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and systems.

I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that my son's/daughter's activity on the systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the acceptable use agreement.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's online safety.

Or: (Key Stage 2 and above – Year 3, 4, 5 and 6)
